

DUBAI HARBOUR  
RESIDENCES

# BEACHFRONT LIVING LIKE NEVER BEFORE

## A SYMPHONY OF COAST AND CULTURE

Dubai Harbour Residences is a refined collection of beachfront residences, carefully crafted with the joys of hosting and superior liveability in mind. Situated in a prime position in the heart of Dubai Harbour, these exquisite homes benefit from rich culture, seafront delights, and the exceptional lifestyle offerings of their carefully curated district, Dubai Harbour.

YOUR INVITATION  
TO OWN, EXPLORE,  
AND ENJOY THE  
EXCEPTIONAL

STRATEGICALLY  
POSITIONED,  
CENTRALLY LOCATED

THE HEART OF THE HARBOUR

Located in Dubai Harbour, residents enjoy unrivalled proximity to the beachfront while being immersed in city living. Where culture and the pristine sands converge, there is easy access to all that you may need or desire.

Here, you will live among refined places of leisure, a bustling marina, and the sand and sea of the Arabian Gulf. A central boulevard, waterfront promenades, and Dubai Harbour's celebrated leisure offerings combine to create a destination beyond comparison.

\*The new bridge will reduce the travel time from Sheikh Zayed Road to Dubai Harbour from 12 to 3 minutes.

The Dubai Harbour Residences sits just over 30km from both Dubai International Airport and Dubai World Central Airport.

# AT ONE WITH THE SEA AND CITY

## A SEA STATE OF BEING

Life at Dubai Harbour Residences reflects the freedom of the open seas and the enchanting rhythm of the marina. Residents enjoy sunrise walks on sandy shores, boundless adventures on ocean waters, and social gatherings enriched by gentle breezes.

At home among award-winning marinas, a private beach, and a newly built road that will provide direct access to Sheikh Zayed Road, you will enjoy a wealth of remarkable experiences that unfold on land and at sea.

A LIFE EMBRACED  
BY NATURE  
AND ENRICHED  
BY WATERFRONT  
CULTURE

BEACHFRONT  
RESIDENCES,  
REIMAGINED AND  
REFINED

INSPIRED ARCHITECTURE

Internationally acclaimed architects, Nikken Sekkei, present these exclusive residences, designed to support moments of congregation, celebration, and contemplation.

Intelligently oriented to provide incredible views in every direction, these beachfront homes are the result of a deep respect for design, a sophisticated eye for detail, and an understanding of the desires of those who harbour an affinity for the sea.

There are 343 units and two penthouses, spanning across one, two, three, and four-bedroom apartments.

Dubai Harbour Residences provides instant access to the beach

Glass façades, large terraces, and epic panoramas create an expansive sense of space

IMPECCABLY DESIGNED  
SPACES FOR HOSTING  
AND RELAXING

INTERIORS THAT ELEVATE

These refined residences feature generous layouts, high ceilings, and large terraces designed to be enjoyed year-round.

Each home features nautical colour palettes, rich in deep blues and crisp whites, and impeccable textures and finishings. These exquisite elements are bathed in natural light and accompanied by panoramic sea- and city-scapes.
